COVID-19: President Trump Expands Telehealth Benefits for Medicare Beneficiaries During COVID-19 Outbreak

Today, The Trump Administration announced expanded Medicare telehealth coverage that will enable beneficiaries to receive a wider range of healthcare services from their doctors without having to travel to a healthcare facility. Beginning on March 6, 2020, Medicare—administered by the Centers for Medicare & Medicaid Services (CMS)—will temporarily pay clinicians to provide telehealth services for beneficiaries residing across the entire country.
