

March 19, 2020

Dear Valued EZ-ACCESS Partner,

With the ongoing spread of the Corona virus and the potential impact of its continued effects, we wanted to reach out on a more personal level to let you know we are prepared for a state of emergency like this and are here to help.

We carry a 6-8 week supply of raw materials and finished goods thus allowing us to continue to be your trusted partner during this national pandemic. If at any time you are struggling to get fulfillment from other vendors, rest assured, EZ-ACCESS has inventory and raw materials to continue to provide you with the access solutions you and your customers will still need throughout this current situation in the US.

We also have developed a finance program through VGM Finance to be able to offer you 30-60 deferred payments followed by 12 equal payments at 0% on stock orders. You can work directly with either Gary Caldwell, East Regional VP of Sales or Dan Radacosky, West Regional VP of Sales for more details and assistance. Their email contact is below.

gcaldwell@ezaccess.com or dradacosky@ezaccess.com

If you have additional questions or needs, please do not hesitate to reach out to me directly, Scott Crosswhite National VP of Sales, via email scrosswhite@ezaccess.com or my cell 253-329-6618.

Thank you for your continued support and remember, we are here to help no matter what access vendor you may be currently using as we want to make sure those that need access solutions have the ability to provide them without interruption.

All our best to you, your family and your employees as we all navigate through the immediate Corona virus threat as well as many years to come.

Sincerely,

Scott Crosswhite, CEAC, CHAMP
National Vice President of Sales
EZ-ACCESS, A DBA OF HOMECARE PRODUCTS, INC.
Breaking Through Barriers
