2018 DURABLE MEDICAL EQUIPMENT DELIVERY COST

Durable medical equipment (DME) suppliers, many of them being small businesses, are being forced to close their doors due to reimbursment cuts. This survey of nearly 200 independent DME suppliers demonstrates the real cost of providing equipment such as oxygen, hospital beds, mobility equipment, and more to patients' homes.

Rocky Mountain Region (CO, ID, MT, UT, WY)

2018 Reimbursment Rates - "100% Adjusted Fee Schedule" - National Average Per MonthE1390 - Oxygen Concentrator - \$69.90E0250 - Hospital Bed - \$59.43K0001 - Standard Wheelchair - \$20.48E0601 - CPAP Machine - \$40.25
