

WHAT IF YOU COULDN'T GET OXYGEN WHEN YOU NEEDED IT?

People for Quality Care advocates
for patients who need home medical
equipment and services.

YOUR STORIES HELP US INFLUENCE CONGRESS, SO WE WANT TO HEAR THEM!

Whether you had an excellent experience getting your home oxygen equipment and supplies or a not so great one, by sharing your story, you are helping advocate for patients. Together, we will make a difference!

Call us at 800-404-8702
to share your story.
