

Assistive Technology Training Program (ATTP) COURSES		
ATTP000	Introduction	Written
ATTP001	Consumerism	Written
ATTP002	Anatomy and Physiology	Written
ATTP003	Impairment	Written
ATTP004	Principles and Practice in Service Delivery	Written
ATTP005	Funding and Legislation	Written
ATTP006	An Overview of Fundamental Engineering Principles	Written
ATTP007	An Overview of Biomechanical Principles	Written
ATTP008a	Applications Section 1: Introduction and Seating and Mobility	Written
ATTP008b	Applications Section 2: Control Interfaces	Written
ATTP008c	Applications Section 3: Computer Access	Written
ATTP008d	Applications Section 4: Augmentative Alternative Communication	Written
ATTP008e	Applications Section 5: Electronic Aids to Daily Living	Written
ATTP008f	Applications Section 6: Sensory Technologies	Written
ATTP009	Settings	Written
ATTP010	Wheelchair Transportation Safety	Written
Total	30 contact hours	3 CEUs
